

Game Guide

Each of our outdoor tours, thought out to the last detail, tells you an exciting story and at the same time leads you through the streets of your town.

You will be given a mission case and an iPad, which will guide you through the city and give you tasks or puzzles at certain points. Of course we will give you a proper briefing at the meeting point and explain the game to you in detail. Your team will have 2-3 hours to solve tricky tasks and puzzles, follow clues and solve the mystery.

Solving the first own case

17:00:

Handing in the mission case at the secret meeting point

THE KEY

URBAN ESCAPE GAMES

Operation Fox Hunt (5-7 players)

An agent has disappeared and now you have to take over his case. It is now up to you to carry out „Operation Fox Hunt“ and put a stop to a gang of criminals. The „Fox“, a notorious master thief, has actually managed to steal the precious Aurora diamond. Numerous clues must be deciphered, riddles solved and tracks followed in order to find the diamond's hiding place in the end.

Equipped with an iPad and a mission case, the children step into the shoes of Sherlock Holmes and Co. as junior detectives. During the rally, the children are trained to become real secret agents. In smaller tasks, they have to prove their powers of deduction, their knowledge and their teamwork.

Perfect for children`s birthday parties:

Our outdoor mission „Operation Fox Hunt“ offers an incomparable experience for the next childrens´ birthday party. A team of 5-7 children explore the city together in the fresh air. The use of an iPad is very easy and quick for the children to understand. The accompanying persons only have to accompany the children on the tour.
